..Report <u>RECOMMENDATION</u>:

It is recommended the Board of Supervisors:

a. Authorize the Chief Executive Officer for Natividad Medical Center (NMC) or his designee to execute amendment No. 2 to the agreement with CortiCare, Inc. for remote monitoring of electroencephalograms (EEG) services at NMC's Cardiopulmonary and Neuro-diagnostic department; extending the Agreement an additional one (1) year period (April 20, 2025 through April 19, 2026) for a revised full Agreement term of April 20, 2022 through April 19, 2026, and adding \$250,000 for a revised total Agreement amount not to exceed \$450,000.

SUMMARY/DISCUSSION:

Corticare provides a remote monitoring service for electroencephalograms (EEG). An electroencephalogram (EEG) is a test that measures electrical activity in the brain using small, metal discs (electrodes) attached to the scalp. Brain cells communicate via electrical impulses and are active all the time, even during asleep. This activity shows up as wavy lines on an EEG recording. NMC's EEG tech will place and connect all electrodes to the patient and EEG system to initiate monitoring and observation of the patient via camera as requested by NMC physicians. This allows clinicians to access while using a secured interface ID and password to view live their patient and EEG waveform. Once study is completed, if requested as a "STAT read" the physician will have a 1-hour turnaround time for EEG interpretation. As NMC's acuities increase and population, so does our trauma and EEG studies. Although trauma neuro and seizure cases have fluctuated over the last few years, they have increased steadily more recently. In order to meet increased demand for EEG services, NMC is requesting an amendment to revise this contract by adding \$250,000 through April 2026.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel has reviewed and approved this amendment No. 2 as to form, and the Auditor-Controller has reviewed and approved as to payment provisions. The amendment No. 2 has also been reviewed and approved by NMC's Finance Committee on April 12, 2024, and by its Board of Trustees on April 12, 2024.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The services rendered in this agreement provide NMC with the additional support it needs to be able to provide reliable and quality patient care which improves the health and quality of life for patients and their families.

Adopt Resolution to:

a. Amend Personnel Policies and Practices Resolution No. 98-394 Appendix A to adjust the salary range of the Utilization Management Coordinator classification as indicated in Attachment A effective May 4, 2024; and

b. Direct the Human Resources Department to implement the changes in the Advantage Human Resources Management (HRM) System.

..Report

RECOMMENDATION:

It is recommended that the Board of Supervisors consider adopting a Resolution to:

a. Amend Personnel Policies and Practices Resolution No. 98-394 Appendix A to adjust the salary range of the Utilization Management Coordinator classification as indicated in Attachment A effective May 4, 2024; and

b. Direct the Human Resources Department to implement the changes in the Advantage Human Resources Management (HRM) System.

SUMMARY/DISCUSSION:

A base wage compensation study of the Utilization Management Coordinator classification was requested by Natividad Medical Center (NMC) administrative staff. The reasons cited for the request were recruitment difficulties and to check for salary alignment with the hospital comparable agencies identified in the County's Compensation Philosophy last updated in January 2023.

The base wage analysis of the County's hospital comparable agencies found that based on the duties performed, the Utilization Management Coordinator classification was matched to five (5) of the six (6) hospital comparable agencies: Alameda Health System, Salinas Valley Health, Santa Clara Valley Medical Center, Contra Costa Regional Medical Center and San Mateo Medical Center. After thorough analysis of the data available at the time of the study, it was determined that no comparable match was made at Hazel Hawkins. The Utilization Management Coordinator classification is approximately 30.29% below the salary mean of the comparable agency's classifications.

To promote the County as the employer of choice, the goal is to provide labor market competitive wages by setting base wages within five percent (5% = -4.495% with rounding) of the average of the agencies identified. The County's philosophy is to maintain a competitive compensation package that attracts and retains the highest quality candidates and employees to serve the community while maintaining sound fiscal standards.

Therefore, in accordance with the County's Compensation Philosophy, the base wage salary of the Utilization Management Coordinator classification would need to be adjusted by approximately 30.29% at top step in order to align with the labor market average.

OTHER AGENCY INVOLVEMENT:

The Human Resources Department concurs with the recommendations. County Employee Management Association (CEMA) has been notified of the recommendations.

FINANCING:

The salary and benefits increased costs for the current positions (2.0 FTE filled) budgeted for the remainder of Fiscal Year 2023-24 is approximately \$16,651 and then \$108,233 annually thereafter. The funding for personnel costs is provided by NMC's enterprise fund comprised of patient services revenues received from commercial insurance, state, and federal government agencies. This action does not impact the General Fund.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The proposed recommended actions address the Board of Supervisors Administration Strategic Initiative. The actions demonstrate the County's commitment to meeting the Board's initiatives in recruiting, retaining, and attracting a diverse, talented workforce that supports the mission of Monterey County.

After a thorough review and analysis of available data, no comparable matches were identified at Hazel Hawkins or San Mateo Medical Center. The Pharmacy Informaticist classification is approximately 7.62% below the salary mean of the comparable agency's classifications.

To promote the County as the employer of choice, the goal is to provide labor market competitive wages by setting base wages within five percent (5% = -4.495% with rounding) of the average of the agencies identified. The County's philosophy is to maintain a competitive compensation package that attracts and retains the highest quality candidates and employees to serve the community while maintaining sound fiscal standards.

Therefore, in accordance with the County's Compensation Philosophy, the base wage salary of the Pharmacy Informaticist classification would need to be adjusted by approximately 7.62% at top step in order to align with the labor market average.

OTHER AGENCY INVOLVEMENT:

The Human Resources Department concurs with the recommendations. Service Employees International Union (SEIU) Local 521 has been notified of the recommendations.

FINANCING:

There is no salary and benefits costs associated with this action as there are no positions currently budgeted in Fiscal Year 2023-24. For future years, the funding for personnel costs is provided by NMC's enterprise fund comprised of patient services revenues received from commercial insurance, state, and federal government agencies. This action does not impact the General Fund.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The proposed recommended actions address the Board of Supervisors Administration Strategic Initiative. The actions demonstrate the County's commitment to meeting the Board's initiatives in recruiting, retaining, and attracting a diverse, talented workforce that supports the mission of Monterey County.

SUMMARY/DISCUSSION:

A base wage compensation study of the Laboratory Informaticist classification was requested by Natividad Medical Center (NMC) administrative staff. The reasons cited for the request were to check for salary alignment with the County's comparable agencies identified in the County's Compensation Philosophy.

The base wage analysis of the County's hospital comparable agencies found that based on the duties performed, the Laboratory Informaticist classification was matched to three (3) of the six (6) hospital comparable agencies: Alameda Health System, Contra Costa Regional Medical Center and Santa Clara Valley Medical Center. After a thorough review and analysis of available data, no comparable matches were identified at Hazel Hawkins, Salinas Valley Health or San Mateo Medical Center. The Laboratory Informaticist classification is approximately 13.77% below the salary mean of the comparable agency's classifications.

To promote the County as the employer of choice, the goal is to provide labor market competitive wages by setting base wages within five percent (5% = -4.495% with rounding) of the average of the agencies identified. ..Report

RECOMMENDATION:

It is recommended that the Board of Supervisors:

a.Authorize the Chief Executive Officer (CEO) for Natividad Medical Center (NMC) or his designee to execute the Third Amendment to the Professional and Call Coverage Services Agreement with Thai Lan N Tran MD Inc. to provide general and critical care surgical services, extending the term by twenty-four months (July 1, 2024 to June 30, 2026) for a revised full agreement term of June 1, 2019 to June 30, 2026 and adding \$1,000,000 for a revised not to exceed amount of \$2,165,000 in the aggregate; and

b.Authorize the CEO or his designee to sign up to three (3) future amendments to this agreement where the total amendments do not significantly change the scope of work, do not cause an increase of more than 10% (\$65,000) of the original contract amount and do not increase the total contract amount above \$2,230,000.

SUMMARY/DISCUSSION:

Natividad received its designation as the Level II Trauma Center for Monterey County in January 2015. The American College of Surgeons requires critical care surgeons to be available in-house with a 15-minute response time for Level II Trauma Centers. In order to provide 24/7 care, it is necessary to maintain a core team of quality surgeons made up of employed and independent contract physicians to provide daily call coverage in the Emergency Department and follow-up care to patients in the Intensive Care Unit.

Natividad would like to enter into an agreement with Thai Lan Tran MD, a board-certified fellowship trained trauma surgeon to provide general and critical care surgical services as part of the comprehensive trauma services required for a Level II Trauma Center. Dr. Tran will participate in the on-call panel and will be paid a daily rate for the coverage services, which may increase due to availability and the need for coverage, but the rate of pay for services remains the same. NMC has obtained an independent opinion of fair market value supporting the payment terms of this Agreement.

OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed and approved this amendment as to legal form. Auditor-Controller has reviewed and approved this amendment as to fiscal provisions. The amendment has also been reviewed and approved by Natividad's Finance Committee and Board of Trustees.

FINANCING:

The cost of this Amendment is \$1,000,000. The total not to exceed amount of this Agreement is \$2,165,000. The actual cost is contingent upon Dr. Tran's participation in the call panel which may fluctuate based on her availability. Natividad has agreements with multiple providers to ensure sufficient coverage of the trauma services where the total expenditure will not exceed \$1,300,000 annually which is included in Fiscal Year 2023/2024 Adopted Budget. The remaining balance will be budgeted in subsequent fiscal years. There is no impact to the General Fund.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The services rendered in this agreement are required for a Level II Trauma Center and provide NMC with the additional support it needs in order to provide reliable and high-quality patient care which improves the health and quality of life for patients and their families.

Amendment No. 4 to the Huffmaster Crisis Response, Inc. Agreement

..Title

Authorize the Chief Executive Officer for Natividad Medical Center (NMC) or his designee to execute Amendment No. 4 to the Agreement (A-15495) with Huffmaster Crisis Response, Inc. for nurse and allied professional staffing services in the event of an emergent staffing crisis at NMC, to add \$40,000 for a revised total agreement amount not to exceed \$5,941,988, until the conclusion of the staffing need.

..Report <u>RECOMMENDATION</u>:

It is recommended the Board of Supervisors:

Authorize the Chief Executive Officer for Natividad Medical Center (NMC) or his designee to execute Amendment No. 4 to the Agreement (A-15495) with Huffmaster Crisis Response, Inc. for nurse and allied professional staffing services in the event of an emergent staffing crisis at NMC, to add \$40,000 for a revised total agreement amount not to exceed \$5,941,988, until the conclusion of the staffing need.

SUMMARY/DISCUSSION:

Huffmaster Crisis Response, Inc. is a nationally recognized healthcare staffing agency, providing emergency staffing and strike staffing solutions to healthcare clients, including hospitals. By providing clinical personnel during an emergent situation, hospitals can continue their vital operations during these situations.

At times NMC has experienced extreme census increases, a large number of resignations, had extreme difficulty with recruiting experienced specialty staff, and a minimum of a two-week compliance requirement for traditional travel staff. All of this threatens NMC's ability to meet its licensure requirements and nursing and allied professional to patient staff ratios in hospital units. NMC is committed to patient safety and having an emergent staffing agency puts NMC in the best position to continue patient care and not be forced to cancel procedures and divert emergency cases to other hospitals due to staffing concerns. Amending the existing agreement with Huffmaster Crisis Response, Inc. to include emergent short-term staffing crisis situations will continue ensure that NMC is able to provide appropriate staffing levels of nurses and allied professionals to meet the healthcare needs of its patients.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel has reviewed and approved this Amendment No. 4 as to form, and the Auditor-Controller has reviewed and approved as to payment provisions. This Amendment No. 4 has also been reviewed and approved by NMC's Finance Committee on April 12, 2024, and by its Board of Trustees on April 12, 2024.

FINANCING:

The cost for this Amendment No. 4 is \$40,000, which is included in the FY2023-24 Adopted Budget

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The services rendered in this agreement contribute to assisting NMC in the care and treatment of patients.

SUMMARY/DISCUSSION:

The CALSTAR Air Medical Services, LLC ("CALSTAR") patient transfer coordination and facilitation services involves coordinating and recording all incoming and outgoing emergency requests for patient consult or transfer. These requests are typically initiated by physicians in circumstances where patients need transfer to the appropriate level of care (either into or out of Natividad Medical Center). When a treating physician deems that there is a medical necessity for a patient to receive care not available at the sending facility, then that patient is transferred to a higher level of care.

This service is crucial for Natividad Medical Center as it provides a single point of contact (telephone exchange) for both physicians calling into Natividad Medical Center to transfer a patient to us as well as Natividad Medical Center physicians calling out to find an appropriate destination that has the staffing and expertise to receive a patient who needs a service that Natividad Medical Center cannot provide. The coordination and recording of multiple calls that need to occur in rapid fashion to safe life and limb is a specialized.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The CALSTAR transfer service provides all incoming and outgoing requests for patient consult or transfer; place patients with an admitting physician and consulting physician; verify bed availability; and coordinate transport. The service adheres to the physician's declaration of medical necessity to ensure proper levels of care and patient placement are met, whether inbound to NMC or outbound to an appropriate receiving facility.
